

The Hitachi FX-Duo Primary Interactive whiteboard

Next generation interactive whiteboard combined with high-quality resources from top authors

For the first time teachers can select an interactive whiteboard which includes true curriculum focused primary literacy and mathematics software.

"You're not restricted to a proprietary writing instrument. You can use your finger, the back of your hand, or whatever you want to write on the board."

Dennis Womack, Assistant Superintendent for Operations at the Lovejoy ISD

The FX-Duo Primary – the hardware

Offers a hard durable screen that can be operated by either your finger or electronic pen. It can be used by two people at once, ideal for peer to peer comparison, collaboration and competition. Gestures such as zooming and panning using only your fingers or hand are also supported.

The surface is dry marker friendly, and the low reflection surface coating makes it ideal for using with ultra short throw projectors such as the Hitachi ED-A100 series projector.

The FX-Duo Primary – the software

Content has been provided by Cambridge-Hitachi and includes an irresistible mix of newly published resources and best-sellers.

The software includes;

Multi-e-Maths Toolbox and Teaching CD-ROM 3, creative, flexible primary mathematics resource designed for whole class teaching using the interactive whiteboard.

A Maths Dictionary for Kids CD-ROM, an animated, interactive dictionary for primary children which explains over 470 common mathematical terms in simple language

Storybook Phonics CD-ROM 1 to 3, a number of engaging stories, with each story featuring a different target sound.

Phonics Focus Year CD-ROM 1 to 4, fun, colourful games for phonics practice that will help children to be confident and successful spellers.

Penpals for Handwriting Foundation 1, mark-making and creativity CD-ROM and **Penpals for Handwriting Years 1 - 3**, CD-ROM. Penpals supports the acquisition of phonics skills and the transition from phonics to spelling.

i-read 1 DVD-ROM, CD-ROM 2 to 3, supports whole-class teaching of reading skills and strategies for non-fiction, fiction and poetry.

i-learn: writing Years 3 and 4, a new non-fiction writing resource for the Primary Framework.

i-learn: speaking and listening Years 1 and 2, a resource specifically designed for the teaching of speaking and listening skills using a flexible topic-based approach supporting the new Framework.

"The interactive boards make lessons more attractive and the maths suite software allows a range of solutions that were unthinkable in a traditional classroom."

Teacher, José Melícias

Including the following leading curriculum based software from Cambridge-Hitachi

"The new *i-learn speaking and listening* range is a stunning and highly polished package of resources"

John Dabell
Teach Primary magazine

Hitachi FX-Duo Primary at a glance:

- Hitachi FX-Duo Interactive whiteboard available in 3 sizes.
- Cambridge-Hitachi Primary Software Collection.
- 3 year return to factory warranty, extended to 5 years on registration.
- Optional electric stand with ultra short-throw projector mount (Starboard Integral).
- Hard coated, dry marker friendly surface.

Specifications – Hardware

Sizes	63"	77"	88"
Screen Dimensions (mm)	1283 x 961	1573 x 1180	1888 x 1180
Overall Dimensions (mm)	1451 x 1138	1743 x 1826	2054 x 1390
Ratio	4:3	4:3	16:10
Input Methods	Finger or Electronic Pen		
Sampling Rate	Approximately 100 points/sec		
Accuracy	Approximately +/- 1.5mm		
Resolution	Approximately 0.05mm		
Computer Connection	USB 1.1 / 2.0		
Operating Specification	5 – 35 Celsius, 20 – 80% Humidity		
Weight (kg)	19	24	33
Certification	VCCI Class B, FCC Class B, CE		
Warranty	3 year RTB, 5 year RTB on registration		

Software included
